

1st Parade Floats.com

Parade Float has over 100 parade float designs in stock, so if you need ideas based on a theme, we probably have something already designed, and if we don't, we'll be happy to design your float for a nominal fee. Parade Float is dedicated to make your parade a success! We can supply all of your decorating ideas for your float. Flexi-Float, which debuted in the fall of 1997, has been tremendously successful with float builders with a limited budget.

We take pride in making the finest professional decorating products that will allow you to create your own award-winning float in the least amount of time. Valley was known for building floats for the Pasadena Tournament of Roses Parade. We have built upon this experience to become the leading manufacturer of high quality float decorations for over 35 years. Our innovative concepts and superior materials make it easy for you to turn your ideas into reality. Our website is designed to give you ideas, building instructions and material estimates to make your own prize winner.

- Float Decorations-Shows the products and colors available
- Float Idea Page-Need a concept for your float? This page shows examples of various themes
- How to Build A Float-These instructions will help you decorate your float
- Material Estimates-This page gives you recommended amounts and costs of materials
- Galleries-Photographs of actual floats on parade
